1. From the Vice-Chancellor's Desk

Sikkim University is a central university established in 2007 by an Act of Parliament and is fully funded by the University Grants Commission, New Delhi. At present the University has 33 academic departments organized under 6 Schools of Studies and two research centers, viz., Maulana Azad Centre for Northeast Studies funded by Maulana Abul Kalam Azad Institute of Asian Studies, Kolkata and Centre for Bio-Informatics funded by Department of Bio-Technology, Government of India. University has been accredited by the National Assessment and Accreditation Council (NAAC), Bangalore in 2015 and accorded grade 'B' with CGPA 2.60 which is valid till June 2020 and second cycle of accreditation is in process.

Sikkim University has been listed within 100 to 150 band in NIRF ranking in 2021. I am indeed happy to inform that University has also received DST-FIST Grant from the Ministry of Science and Technology, Government of India. The Department of Geology has been awarded Centre of Excellence by the Department of Science and Technology (DST).

Sikkim University is implementing National Educational Policy (NEP) 2020 from the current academic session and, in pursuance of the NEP 2020 guidelines, University has discontinued Master of Philosophy (M.Phil) programme from the academic session 2022-23.

University conducted 'Bhumi Puja' of the second package of the First Phase and with it the construction is going on war footing and in 3 years from now on University can shift to its campus at Yangang.

University achieved another milestone by starting doctoral programme in three indigenous and endangered languages of Sikkim and adjoining areas viz. Bhutia, Lepcha and Limbu. Perhaps, it is the only university in the world where these languages are taught up to Master's and Research level. Further, University is starting Master of Library Science (MLIS) course and BA programme in Hindi from the academic session 2022.

I am proud to inform you that maiden attempt of the University to grow Saffron at the University Campus has been fully successful. University is now working for a large-scale production of Saffron in Sikkim with the assistance and support of the farmers of the State.

There are 154 regular faculty members, 49 guest faculty members and 16 adjunct faculty. Our Central Library has more than 50,000 books, 9878 e-books, 7390 e-journals and 26 printed journals and can be accessed online. Annually, our teachers and students publish more than 1370 research papers/books chapters and books. At present University has more than 52 extra-mural research projects with total grants of 15 crores funded by various national and international agencies.

Sikkim University is perhaps the first central university to make ‘National Social Service’ a compulsory audit course for all PG students where they devote at least 30 days of social service in their own villages, towns, etc. University has adopted five villages of Sikkim under the flagship programme of ‘Unnat Bharat Abhiyan’ launched by the Govt. of India,

University has a Central Admission Committee to decide on policy issues and monitor the admission process so that the Government of India rules are not overlooked and no injustice is done to any candidate. Sikkim University is a national university and any Indian citizen from any part of the country can apply online for our academic programme as per the eligibility.

2. About Sikkim University

Sikkim University is at present located in and around Gangtok, the capital of Sikkim, which borders on Bhutan, China and Nepal on its east, north and west respectively. Sikkim is one of the world's richest bio-diversity hot spots and one of the twenty top tourist destinations. The University is mandated to contribute to the nation-building process by mobilizing the rich intellectual heritage of the State of Sikkim, by promoting the creative talents of its youths and by developing itself as a premier national institution.

Sikkim is one of the most preferred tourist destinations in India. The nearest airport is at Pakyong, East Sikkim which is about 31 kilometers from Gangtok. Another airport is located at Bagdogra, off Siliguri city of West Bengal. The distance between Bagdogra and Gangtok is about 124 km. Taxis to Gangtok at both airports are available on hire. A helicopter service is operated regularly between Bagdogra and Gangtok by the Sikkim Tourism Development Corporation. The nearest railway station is New Jalpaiguri Station (NJP), which is about 125 kms from Gangtok. All trains to and from Northeast India stop at this major junction. Gangtok is well-connected by road with Siliguri, Darjeeling and Kalimpong by the National Highway No.10. There are regular services of Sikkim Nationalized Transport buses between Gangtok and Siliguri. Private buses and light vehicles are also available on hire from Siliguri, New Jalpaiguri and Bagdogra for coming to Sikkim.

Sikkim University is building a world-class campus on a plot of land measuring 300 acres at Yangang in the South District of Sikkim and located 56 kilometers from Gangtok. The former President of India, Shri Pranab Mukherjee, in his capacity as the Visitor of the university, laid the foundation stone of the campus on April 16, 2013 in the august presence of the Governor and the Chief Minister of Sikkim.

The site of the campus is connected with Singtam town by a State Highway. On the northern fringe of the campus is a model tourist village with traditional houses, ultra-modern conferencing facilities, children's park, etc. On its western front lies the upcoming skywalk project at a height of about 10,000 feet atop 'Bhaledhunga' Cliff and overlooking the upcoming University campus. 'Bhaledhunga' will soon be a prime

destination of adventure tourists and will be accessible from the campus through a trek route and ropeway.

A leading architectural firm from Chennai has been engaged to design the buildings and prepare the master plan of the campus. The campus will be fully residential with administrative-cum-academic complex, residential complex, school, students' hostels, sport complex, and market complex with restaurants, departmental stores and other utility stores. The buildings will be centrally heated with solar power and /or organic gas. The buildings will be disabled-friendly and having GRIHA-3 compliance. The buildings in administrative-cum-academic complex will be connected with wide footpaths with overhead roofs. The campus will also have an animal house, a horticultural garden, a botanical garden and so on. Water harvesting and sewage treatment plants are integrated into the campus plan. The first phase of the project is estimated to cost over eight hundred crores. We are happy to announce that the construction work of the first package of the first phase of the University Project has been completed and the second package of the first phase has been begun with the 'Bhumi Puja" ceremony held on 3rd March, 2022 at Yangang.

Simultaneously with the planning of a world-class infrastructure, the University has been focusing on teaching and research activities in a big way. The revision of the undergraduate and postgraduate syllabi is underway in view of the implementation of NEP-2020 from the academic session 2022-23. The University is facilitating its young faculty members to go for Refresher and Orientation programme in other universities and participate in various seminars in India and abroad. The University also invites a large number of specialists from various parts of India to teach and train the students in special areas of knowledge besides sending the students for study tours, fieldworks and internships to various parts of the country.

3. Authorities of Sikkim University

The Sikkim University Act, 2006 (10 of 2007) provides for certain Statutory Authorities which are empowered to govern various functions of the University. Important Authorities of the University are the Court, Executive Council, Academic Council, Finance Committee, College

Development Council etc.

4. Objectives, Vision, Mission, Motto & Flag

Objectives: The objectives of Sikkim University, as mandated by its Act and Statutes, are

- To disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit,
- To make provisions for integrated courses in humanities, natural and physical sciences, social sciences, forestry and other allied disciplines in the educational programme of the University,
- To take appropriate measures for promoting innovations in teaching-learning process, inter- disciplinary studies and research,
- To educate and train manpower for the development of the State of Sikkim, and
- To pay special attention to the improvement of the social and economic conditions and welfare of the people of that State, their intellectual, academic and cultural development.

Vision : To achieve intellectual, academic and cultural development of the people of Eastern Himalayas

Mission : To provide quality higher education.

Motto : Quest Knowledge Wisdom

Flag : The background of the University Flag is golden with the University Logo at the center of the flag. Motto is written on the logo. The size of the flag is 3’x2’. The golden colour signifies success, achievement and triumph and is associated with abundance and prosperity, luxury and quality, prestige and sophistication, value and elegance.

5. Recognitions

- Sikkim University has been granted full membership of the Himalayan Universities Consortium funded by ICIMOD, Kathmandu.
- HP has granted Sikkim University a “green certificate” for contributing used cartridges for scientific recycling to save our earth.
- Sikkim University has been granted full membership of the Integrated Mountain Initiative (IMI), a non-profitable society of Mountain States including Darjeeling.

14. Examination and Evaluation

Evaluation and assessment methods deployed at any institutions of higher learning are of vital importance in estimating the overall progress of its students. Since its inception, Sikkim University is one of the pioneer institutions of higher learning in the region to have introduced the semester system besides adopting several other new measures to enable fast, accurate and quick processing of the evaluation related works. As of now, it has in place a continuous and comprehensive evaluation mechanism wherein its students are required to go through 2 sessional tests for UG courses and 3 sessional tests for PG courses, and an end semester examination as mandatory components of the evaluation exercise. The university has introduced the Choice Based Credit System (CBCS) from 2012. Accordingly, students admitted to the privileges of this university are required to go through the following evaluation pattern.

Subject/Paper wise Evaluation Pattern

Semester wise Evaluation Process. Each Semester paper has 4credits	Weightage
First Sessional Test (for both UG and PG courses)	25 %; 1 credit
Second Sessional Test/ Practical Tests wherever applicable (for both UG and PG courses)	25 %; 1 credit
Third Sessional Test (for PG courses only)	25 %; 1 credit
End Semester Examination (for both UG and PG courses)	50 %; 2 credit
Attendance 75% minimum	Mandatory
Audit Course in National Service	Mandatory
Total	100 % ; 4 credits

Note: First Sessional Test will be a Theory Test. Second Sessional Test may either be a theory or a practical test. University departments will have three Sessional Tests out of which the best two are counted for computation of SGPA.

14.1 Award to Meritorious Students

Sikkim University has a policy of awarding all toppers in UG and PG examinations in different subjects of studies with Gold Medals and Silver Medals to the first rank holders and second rank holders in each subject respectively. Prof. Sameera Maiti Gold Medal for topper in Social Sciences has been initiated from 2017. These prestigious awards are presented to the awardees during the Convocation ceremony of the University.

14.2 Choice Based Credit System (CBCS)

The University follows Choice Based Credit System (CBCS). The CBCS is considered to be an important part of reform process initiated by UGC in order to enhance quality of higher education. The system allows a paradigm shift from teaching-oriented to learner-centric education. The CBCS fulfills the following objectives:

- a. To promote learner centeredness in higher education institutions.
- b. To encourage inter-disciplinary learning without sacrificing the domain knowledge.
- c. To allow greater autonomy to the teachers with higher responsibility.
- d. To promote mobility of students across institutions.
- e. To continuously evaluate students and help in optimization of learning.
- f. To introduce transparency in the evaluation system.
- g. To promote teacher-student relations and engagement.
- h. To improve employability among students.

14.3 Credit and Grading

Credit is a value or weightage given to a number of classes taught or marks assigned to a particular paper / course / programme. In order to complete a Master's programme a student must ordinarily earn 64 credits. One credit in Sikkim University is equivalent to 15 classes or 25 marks. The marks obtained by a student in a paper or semester examination are converted into numerical grade point and alphabetical grade in a 10 point scale as per details given here under:

Marks in %	GradePoint Scale	Grade	GradePoint
90 and above	9.0 and above	O	10
80-89.99	8.0-8.9	A+	9
70-79.99	7.0-7.9	A	8
60-69.99	6.0-6.9	A-	7

15. Teesta-Indus Central Library

The Central Library, the heart of the University, is dedicated to provide materials to supplement teaching and learning. The Central Library is having a floor area of about 1000 sq. ft and capable of accommodating about 70,000/ books. University right from its inception has a priority to build up a good university library equipped with the adequate resources and services which takes care of any academic and research work. The central library has met the vision of the university and presently provide all the resources and services which are essential for any teaching, learning and research process. Currently the library has two divisions, the Teesta-Indus Central Library and Science Library.

Library Automation and Infrastructure

The library is fully automated, modernized with latest IT Infrastructure such as Integrated Library Automation System (KOHA), Radio Frequency Identification (RFID) for material management and movement, Institutional Repository for management of inhouse publication, theses and dissertations, Faculty Publication Profile (IRINS) for showcasing the research strength, Remote Access for accessing resources off campus, and Plagiarism Detection System. Library is comparable to any other old university library of the country so far as modernization and infrastructure facilities are concerned. The library is quite active in extending research support services through adopting web based services and system and interactive library website (<https://library.cus.ac.in>).

Library Collection and Resources

The library is housed with a physical collection of over 50,000 books in all major subject areas of the university. The collection includes both print and electronic resources.

Collection Types	Volumes
Print Books	49896
Print Journals	26
Electronic Books	9878

Library Services: To facilitate the easy access to books, journals, and other resources, the library has comprehensive service plan, which includes research support services, subject support services, remote access facility, comprehensive library website (<http://library.cus.ac.in>), User Friendly Mobile Application – [Central Library App](#). These facilities and services ensure the easy access to the entire library collection and services in user friendly manner.

16. Hostels

Sikkim University has nine hostels – four for girls and five for boys. The hostels are located in hired premises, and the infrastructure is modest. Further expansion of hostel facilities is not possible due to difficulty in finding appropriate space and availability of wardens. Demand for seats in these hostels is very high. While the University makes utmost efforts to accommodate as many applicants as possible but it cannot ensure 100% accommodation in its hostels. Admission to hostels will be provided for one semester subject to renewal on compliance of hostel rules and regulations of the University. Application for admission to hostel accommodation can be made online at the time of filling of online admission form. Hostel accommodation is based on merit, availability of seats, departments and the reservation policy of the Govt. of India. No applicant from areas in and around Gangtok is eligible for hostel accommodation.

17. Transport Facility

The University provides free uninterrupted bus service to its students. These buses are plied between its starting point and end point at fixed intervals as notified by the bus coordinators at the beginning of every semester and the same is displayed in all the departmental notice boards. Various pick-up points are identified between the starting point and end point from where one can board the buses.

18. Gymnasium

The University gym with state-of-the-art equipment is open for 6 days a week for its students and

staff. Different shifts have been maintained for male and female users. Trained male and female instructors monitor and provide continuous supervision to the users. Interested candidate can join the university gym by filling up a membership form available at the gym hall and also uploaded on the University website. Beside membership form, one has to submit a fitness declaration certificate from the University Medical Officer. A nominal amount, as provided below, is charged from the students and staff in order to provide and maintain the best gym facility.

Sl.	Student/Staff	Monthlyfee
1	Student	Rs.150
