

## Shankar Sha attended the 5th International Imaging WS 2018 at AIST, Tsukuba, Japan

Mr. Shankar Prasad Sha, PhD Scholar under Professor Jyoti Prakash Tamang, Department of Microbiology, Sikkim University has participated the 5<sup>th</sup>AIST International Imaging WS 2018 Imaging Workshop held at National Institute of Advanced Industrial Science & Technology (AIST), Tsukuba, Japan on January 21-30, 2018. He was one of the 20 candidates selected from 190 International applicants from around the world and the visit was fully sponsored by AIST, Japan. The AIST International Imaging Workshop was the residential ten days course, offering a wide range of microscopy training starting from principles of Light Microscopy to Super Resolution Imaging Technique. The training included Bright Field Microscopy, Phase Contrast, DIC, Fluorescence Imaging, Basic training for Confocal Microscopy, Spectral Imaging, Photo-Activation, Ca- Imaging, Super Resolution Microscopy (SRM), FCS (Fluorescence Correlation Spectroscopy) Analysis, Electron Microscopy, Cell Imaging based on bio-luminescence technology. Sikkim University congratulates Shankar for being represented Sikkim University in AIST Workshop at Tsukuba, Japan.

Shankar is receiving certificated from Dr. Yoshihiro Ohmiya, Director of AIST and Dr. Sunil Kaul, Chief Senior Research Scientist of AIST, Tsukuba, Japan
